

The ABQ Pickleball Club would like your help as we plan our activities for the 2016-2017 year. Your responses to this brief, 3-section questionnaire will help us tailor our activities to the pickleball community desires. The questionnaire addresses tournaments, training and venue play preferences. Please take a few minutes to complete the questionnaire, and return it to your venue coordinator so that we can best meet the desires of the pickleball community .

**TOURNAMENTS:** We have had at least one tournament a month during 2016 as follows: An East/West tournament, dink tournaments, mini-tournaments (ladder within rating, both mixed and separate men's and women's), age tournaments (with Senior Affairs), USAPA tournaments (with NM games where USAPA membership is required), ladder tournaments (timer based), and skill-rated tournaments with Senior Affairs/NM games. Which type of tournament would you like to see more or less of, and do you have any suggested formats that you feel would be fun? Thanks.
