

**Albuquerque Pickleball Club
Email Managing Council Meeting February 5, 2021**

Voting Items:

We will have our own annual club tournament where we need your approval. We have the City of ABQ Senior Affairs pickleball tourney again needing your approval. We are also asking if you would approve two or three posters 24x36 being designed and purchased to communicate the ABQ Pickleball Club to be posted at MM and Kens's courts. Probably around \$250.

General info:

- Manzano Mesa - We are following up with the city on painting/refreshing the pickleball lines on tennis courts. Asking the city for squeegee to be placed at MM. We are communicating repairs at MM as well. Lastly we would like to see if the city can change the access to court 17 at MM. Either add interior access or outer door a magnet that locks at 10pm like the main entrances. Maybe (we) the ABQ Pickleball Club could help with the cost of that change on court 17. We will review once we hear from the city and on cost.
- VC and EC terms are still extended into 2021. We are not sure when the city/county will open indoor venues. We are grateful that you all are staying with us as we work through this year.
- Club Shirts - Nancy says we get an inventory of all sizes. We will see about getting them out again one weekend to sell.
- Nets - Thank you coordinators because we realize many of you have the club nets at home until we reopen. Some nets are stored at the community centers too. They are all accounted for.
- Business Cards - We are using up all the generic business cards as we pass them out to new pball players. Most likely will have to re-order some more.
- Discount - Any purchases made on Pickleball Central the club get a portion of the sale. Use code CRABQ and you will get a 5% discount on your purchase too.
- Website - New "Suggestion Tab". We thought since the indoor pickleball venues are closed and usually you would be the communication tool for the club, we needed a means to communicate. We thought of a "Suggestion Tab" to be put on the club website for members to enter suggestions, thoughts, ideas, complaints etc., etc. As always if YOU hear something please share with us anytime.
- Manzano Mesa pickleball expansion please communicate to all your contacts to join the drive to get all legislators to help fund it. See club recent email.

VOTE on these items:

Item #1 - We want to have our Club Annual Pickleball tournament on October 22-24th, 2021. VOTE: yes or no

Item #2 - The senior affairs would like our help with their tourney planned for August 20-22, 2021. VOTE: yes or no

Item #3 - Design and purchase posters for club info to be placed at MM and Ken's Courts for \$250. VOTE: yes or no

Need your votes by 2/14/21

Thanks again for your patience and support. Stay safe!

The Executive Board of the ABQ Pickleball Club: Gary Rutherford, Nancy Lesicka, Linda Williams, John Kimbrough and Joyce Paulsen.
